CIRCULAR.

DEPARTMENT OF THE SECRETARY OF STATE,
OTTAWA, 21st July, 1879.

SIR,—I have the honour to transmit to you herewith, for the information of your Government, a copy of a Memorandum from the Honourable the Minister of Militia and Defence, approved by His Excellency the Governor-General in Council, recommending that in conformity with the authority contained in Section 58, 31 Vict., cap. 48, associations for the purpose of drill be organized in certain Educational Institutions, under Regulations therein specified.

I have, &c.,

(Signed) EDOUARD J. LANGEVIN,
Under Secretary of State.To His Honour the Lieutenant-Governor
of British Columbia, Victoria, B. C.

MILITIA AND DEFENCE, CANADA.

OTTAWA, JULY 3RD, 1879.

The undersigned, Minister of Militia and Defence, recommends that, in conformity with the authority contained in Section 58, 31 Vict., cap. 40, associations for the purpose of Drill be organized in the Educational Institutions hereinafter described, and that the following Regulations be sanctioned in regard thereto:

Owing to the limited means available, the organization of such companies will be confined, until further orders, to Universities, Colleges, Normal and High Schools.

The total number of companies to be so organized is not at present to exceed 74, of which there may be in Ontario, 34; Quebec, 24; in the Maritime Provinces, 13; in Manitoba, 2; and in British Columbia, 1.

Rifles and accoutrements will not be furnished to any University, College, or School in which the Company will consist of less than forty of the regularly enrolled students attending thereat.

The rifles will be breech-loading, of the Snider-Enfield, or other approved pattern, with bayonet and scabbard complete.

The accoutrements will consist of a waist belt, with ball bag and bayonet frog.

Suitable books, to be used for military instructional purposes by the company, will be supplied by the Department of Militia, free of charge.

The services of a Drill Instructor will be supplied and paid for by Government during one month in each year, or such further time as may be deemed advisable by the Department, to assist in the instruction of each company; such month may be divided into two equal parts, if considered desirable.

The exact dates when the services of such Instructor will be available will be arranged and notified as soon as it is ascertained how many companies will be organized, and which will be the most convenient times to suit the circumstances of the company and the convenience of the authorities of the University, College, or School.

Special provision may be made in British Columbia and Manitoba.

CONDITIONS.

The conditions upon which arms and accoutrements will be furnished, are—

1. That the authorities of each University, College, or School make themselves responsible, by a written undertaking, for the value of the arms and accoutrements to be entrusted to them, and their return in good order to the Department of Militia whenever required to do so.

2. That they will provide a suitable room, fitted with lock-up arm racks, to be used as an armory, and satisfy the Department of Militia that the arms and accoutrements will receive proper attention and care.

3. That they will cause a company composed of young men, over 14 years of age, attending such University, College, or School, to be maintained and drilled regularly.

4. That they will supply a roll, signed by such of the students as are to form the company at its organization; and thereafter, annually, a similar roll, signed by the then existing members of the company.

5. That they will recommend one suitable person to be appointed Captain, and two suitable persons to be appointed Lieutenant to the company, and that they will recommend other suitable persons to fill such vacancies as may occur therein from time to time.

6. That they will see that the members of such company keep themselves supplied with uniform

clothing, of a pattern and colour to be approved by Government.

MEMO.—If the University, College, or School has adopted a special uniform to be worn by all students attending such University, College, or School, such uniform, if suitable for use at military parades and exercises, will be accepted as the uniform of the company.

7. That the company will be *bona fide* drilled and trained according to the authorized regulations for musketry instruction, and in the drill and evolutions for Infantry as laid down in the authorized edition of the Field and Rifle Exercises.

8. That drill and training in military evolutions, tactics, and gymnastics will be made a part of the educational course of the University, College, or School, and to this end suitable days and hours will be specified and devoted to the acquisition of a knowledge of such drill and military exercises by the company.

9. That the authorities of the University, College, or School will see that the company is properly mustered for each drill; that discipline and obedience to orders are enforced; and that none of those belonging to it or enrolled therein be allowed to absent themselves from drill, unless prevented by illness or are granted leave therefrom.

10. That the said authorities will permit the Instructor detailed by the Department of Militia to discharge his proper function at drill during the period he may be attached to such University, College, or School for purposes of military instruction therein.

11. That the authorities will permit free access to the arms and accoutrements, and the periodical inspection thereof and of the company by any Staff Officer who may be detailed for that duty from time to time by Government.

12. That the said authorities will conform to regulations requisite to secure uniformity in the mode of instruction, and for the creation of a quasi-military educational system in Universities, Colleges, and Schools in Canada; and the undersigned further recommends that the Local Governments be communicated with on the above subject, in order to secure their co-operation.

(Signed) L. F. R. MASSON,
Minister of Militia and Defence.
